

Brilbath — Descaling Spray

Limescale and water marks, and it polishes as it goes.

BH0201

In short

- 750 ml spray
- Dual action — descaling and polishing
- Removes limescale, water residue and minor incrustations
- For taps, tiles, shower glass and washbasins

How to use it

Spray onto the surface and spread with a non-abrasive sponge. Leave for a few moments, then rinse thoroughly with water.

Worth knowing before you buy

- Safe for acrylic, glass and enamelled shower profiles, bathtubs and hot tubs.
- DANGER. Causes serious eye damage — protect eyes and face.
- If it gets in the eyes: rinse cautiously with water for several minutes, remove contact lenses if easy to do, keep rinsing, and call a poison centre or doctor immediately.
- Harmful to aquatic life with long-lasting effects — don't pour leftovers out into the environment.
- Contains benzalkonium chloride and 2,2'-(octadec-9-enylimino)bisethanol.
