

# Brilglass — Glass & Mirror Cleaner

No streaks, no rinsing. The mirror test is the honest one.

BH0206

---

## In short

- 750 ml, alcohol-based
- For all washable reflective surfaces
- Removes dirt, dust and fingerprints without rinsing
- Leaves no streaks

## How to use it

Spray onto a cloth suitable for mirrors or straight onto the surface, leave for a few seconds, then wipe with a dry cloth. On heavily soiled glass, remove any encrusted dirt first.

## Worth knowing before you buy

- **WARNING.** Flammable liquid and vapour. Keep away from heat, sparks and open flame; no smoking.
- Causes serious eye irritation. Wear gloves and eye protection; if irritation persists, see a doctor.
