Worth knowing before you buy

- The data sheet lists morning use only — this is a day cream. For the evening the line has a gel serum.
- The fragrance contains substances labelled as allergens (alpha-isomethyl ionone, hydroxycitronellal, amyl cinnamal). If you have reacted to them before, this cream is not for you.
- Nickel tested.
- If it gets into the eyes, rinse with water straight away and see a doctor if needed.
- Store in a cool, dry place, away from heat.
