

AUODHEA Peel-Off Face Mask with Aloe Vera

Twenty minutes, then it lifts off in one piece.

AL11B

In short

- 75 ml
- Jasmine, liquorice, Enantia chlorantha
- Aloe vera and rosemary extract
- 20 to 25 minutes, then peel
- Dermatologically tested, CPNP 3419365

How to use it

Apply a thin layer to a dry face after cleansing thoroughly with warm water, avoiding the eye and lip area. Leave on for 20 to 25 minutes, then peel off gently. Finish with the toner for impure skin. Repeat once or twice a week.

Worth knowing before you buy

- Twenty-five minutes of sitting still — worth knowing before you plan it into a weeknight.
- Contains no allergens, parabens or silicones. Hypoallergenic fragrance.
- If it gets in the eyes, rinse thoroughly and seek medical advice if needed.

Use within, once opened: 6 months · CPNP: 3419365
