

AURODHEA Purifying Face Mask with Salicylic Acid

Ten minutes in the evening. Then a week out of the sun.

AS01B

In short

- 50 ml
- Salicylic acid, sage, lemon, witch hazel
- Evening, 10 minutes, once or twice a week
- Follow with a moisturising cream
- Dermatologically tested, CPNP 2884099

How to use it

Apply in the evening to clean, dry skin. Leave on for 10 minutes, then remove with warm water and a damp sponge, avoiding the eye and lip area. Use once or twice a week, and apply a moisturising cream straight afterwards.

Worth knowing before you buy

- Contains beta-hydroxy acids, which can increase the skin's sensitivity to sunlight. Use sunscreen and avoid sun exposure while you are using it and for the week that follows.
- Avoid contact with eyes and the lip area.
- Store in a cool, dry place, away from heat.

Use within, once opened: 6 months · CPNP: 2884099
