

MULTIGELVIT — multivitamin gel

The whole B group in a gel stick. Nothing to swallow, no water needed.

INTB026

In short

- The whole B group — B1, B2, B3 (niacin), B5, B6, B12
- Vitamin C, biotin (vitamin H) and folic acid
- IPERVITAMY™ complex
- 30 sticks of 10 ml, 300 ml per box
- Gluten-free, lactose-free, suitable for vegetarians and vegans
- Gel food supplement with sweetener — it's sweet, and it tastes like mandarin

How to use it

One stick a day, straight from the packet — no water needed.

Worth knowing before you buy

- Sweetened with fructose and sucralose.
- Also contains L-carnitine.
