BH0005

In short

- 500 ml — around 250 washes
- Super-concentrated, so the dose is small
- With snail slime, a soothing and emollient ingredient
- Preservative-free, dye-free, phosphorus-free
- Aloe vera and bamboo fragrance

How to use it

Dilute 2–3 ml — about a teaspoon — in 5 litres of hot water. Or put a few drops on a wet sponge and squeeze until it foams. Wash, then rinse the dishes thoroughly.

Worth knowing before you buy

- DANGER. Causes serious eye damage and skin irritation.
- The snail slime is there for washing up without gloves, but the label still advises gloves and eye protection.
- If it gets in the eyes: rinse cautiously with water for several minutes, remove contact lenses if easy to do, keep rinsing, and call a poison centre or doctor immediately.
