

Organic lice and nit shampoo

September, nursery and school — the season is here.

SHPDB

In short

- 200 ml
- Neem oil and aloe vera
- Sulphur, lemon essential oil, cinnamon extract
- Aloe vera to calm the scalp

How to use it

Wet the hair, apply, massage into the scalp and leave for a few minutes. Rinse thoroughly, then repeat the whole process. Suitable for all ages.

Worth knowing before you buy

- While you use it, skip conditioners and masks on the scalp — they can make it less effective. Lengths and ends are fine.
- Sulphur-based.
- If it gets in the eyes, rinse well with water; see a doctor if needed.
- Store in a cool, dry place, away from heat.

Use within, once opened: 6 months
