

Soften Plus «Golden Vanilla» — Fabric Conditioner

A hundred washes in half a litre. Vegan formula.

BH0016

In short

- 500 ml — around 100 washes
- Over 30% softening agents
- Preservative-free and dye-free, vegan formula
- Surfactants of natural origin
- Makes ironing easier by reducing friction between fibres

How to use it

In the machine: into the softener compartment or before the final rinse — 5 ml for a 6–7 kg load, 13 ml for 7–8 kg, 20 ml for 8 kg and above. By hand: at least 5 ml in a 5-litre bowl of water; soak the washed and rinsed clothes for no more than 8–10 minutes, then rinse in clean water.

Worth knowing before you buy

- Never pour it straight onto fabric.
- WARNING. Flammable liquid and vapour. Keep away from heat, sparks and open flame; no smoking.
- Causes serious eye irritation and skin irritation, and may cause an allergic skin reaction. Wear gloves and eye protection.
- Harmful to aquatic life with long-lasting effects — don't pour leftovers out into the environment.
