

ULTRA OIL™ by LOLÛM

Shea, coconut and camelina, for body and hair. Dermatologically tested.

LO011

In short

- Shea butter — softens and nourishes
- Coconut oil — moisturises
- Camelina seed oil — protects skin and soothes redness
- Active complex of hyaluronic acid and meadowfoam seed oil
- 80 g, for body and hair
- Dermatologically tested

How to use it

Body: massage in with circular movements until absorbed. Hair: apply to the lengths before shampooing, focusing on damaged ends.

Worth knowing before you buy

- Not before sun exposure — it makes skin more sensitive to sunlight.
- Too much can clog pores.
- Keep it away from the eyes and mucous membranes. If you react to it, stop and see a doctor.
- For external use only. Keep out of reach of children under 3.
- Store in a cool, dry place, away from heat and direct light.
